2. In the spirit of the third candle, I will treat every young man and young lady in our organization and our sister organizations with courtesy and respect.
3. I will treat my fellow advisors, adults, and parents with professional courtesy and respect, remaining silent if I cannot speak a good word for them.
4. If a dispute arises with a fellow advisor, I will work to resolve the issue before escalating the issue.
5. I will be a living example of DeMolay values and virtues inspiring the young people in our organization by my daily actions, thoughts, and deeds.
6. I will model the behavior we expect from our youth by following the rules and guidelines of an event including dress code.
7. I will follow the rules, regulations and edicts of DeMolay International and New York DeMolay.
8. I will report violations of DeMolay policies to the appropriate people.
9. I will conduct my public life, including social media, in a manner consistent with DeMolay.
10. I will protect, to the best of my ability, all personal identification information of our youth members/prospects and adult volunteers.
11. If any personal matters arise (civil, criminal, etc.) that could be viewed negatively by the public in relation to DeMolay International or NY DeMolay, I will immediately bring it to the attention of the NY DeMolay Personal Representative / EO.
